ACCEPTANCE AND PLACEMENT AT A CAMP

1. Your application form and references are legal documents. You agree that you have personally completed the application form and any false, misleading or withheld information on your application or inappropriate behavior during your interview, on social media sites, prior to departure for the USA or during your participation on the CCUSA program, is grounds for immediate cancellation from the program without refund. You are required to inform CCUSA of any changes in information provided within your initial application, including but not limited to: health conditions, availability dates, skills, background check, and contact details.
2. To apply to the program, you will be required to submit a completed application form, upload a personal video, 2 CCUSA reference questionnaires, a photo, all required fees and this signed Program Agreement. All materials submitted to CCUSA immediately become the property of CCUSA.
3. CCUSA will conduct an interview to help you better understand the program and to assess your skills and experience. The CCUSA head office in the US determines final program acceptance of applicants.
4. You may receive conditional acceptance on the program requiring you to attend the CCUSA Camp (Skype) Fair in order to secure your placement. If you are accepted on this condition and do not attend the fair you will be cancelled without a refund of your application fee. If you attend the fair and are not hired, CCUSA reserves the right to cancel your application less an AU\$50 Administration Fee.
5. Placement at a camp in the U.S. may occur any time after acceptance and up until June 30th, 2022, as most camp directors make their staffing decisions between October and June.
6. Your application, camp type choices, skills, level of English, experience and references will determine your placement at a camp by CCUSA. All placements are final. You will be notified of all the details of your camp placement, including your arrival and departure dates, travel instructions, and your contract dates via your online CCUSA Footprints account. The dates indicated in your Placement Letter are considered your official contract and visa dates. Failure to complete your contract will result in additional costs as mentioned in Early Departures section, point 1.
7. You, the applicant, are the only person CCUSA will liaise with in terms of your application/placement. CCUSA will not provide information about your application or program participation to parents/friends/other family, unless you are involved in a medical emergency while in the U.S., in which case we will contact the person you have listed on your CCUSA application form as your "emergency contact."
8. If you or your parents are, have been, or are legally capable of becoming US passport holders or US Citizens (or you were born in the USA), contact the CCUSA office for details of how you can apply for the camp program.
9. Once accepted to the program, if you do not have a passport or you need to renew your passport, you must apply for this no later than 2 weeks after your acceptance to the program. Failure to do this is grounds for cancellation without a refund of fees.

COMMUNICATION WITH CCUSA

1. In order to facilitate your communications with CCUSA while on the program, you are required to check your online CCUSA Footprints account regularly and must provide CCUSA with a current e-mail address that you will access daily from the time of application through the time you complete your trip to the USA. CCUSA will not be held responsible for problems arising from your failure to check your e-mail regularly or notify CCUSA of changes to your e-mail address. If you use a university or school email account, you are required to create a personal web-based email account when you apply to the program.
2. For the duration of your time on the CCUSA program, you must take responsibility for returning our calls and replying to emails in a timely fashion. Participants, who fail to respond to CCUSA phone and email requests, are indicating to us that they are no longer interested in this program to come to the USA and may have their application cancelled after one warning. You are not entitled to a refund and no claims can be made against CCUSA.
3. CCUSA is your visa sponsor. Hostile or aggressive behavior by yourself and/or anyone representing you (including family) will result in immediate cancellation from the program and the forfeiting of all payments.
4. In case of unforeseen circumstances (emergency or natural disaster) while on the program, it is extremely important you stay in contact with the CCUSA office and respond to emails, text messages, WhatsApp messages and/or phone calls immediately. It is important you follow any and all directions given to you by CCUSA. If you do not follow the directions given to you, you will be responsible for any and all financial consequences.
5. Understand that CCUSA or its affiliates or agents may, without liability, or expense to themselves take whatever action they deem appropriate with regard to your health and safety and may place you in a hospital for medical services and treatment or, if no hospital is readily available, may place you in the hands of a local medical doctor for treatment. You undertake to reimburse us, our agents or the camp/employer in which you are placed for any expenses incurred by us or them in taking any action reasonably considered necessary in the interests of your health and safety, which is not covered by the medical insurance policy. If deemed desirable by CCUSA or its agents, you authorize them to transport you back to your country of origin at your own expense.
6. You agree to waive and release CCUSA and its affiliates, agents and employees from any claims whatsoever arising from any injury, loss, damage, accident, delay, or expense resulting from events beyond its control, including without limitation acts of God, acts of war, strikes, incidents of politically motivated violence, terrorism, pandemics, sickness or quarantine, government restrictions or regulations, and, in the absence of gross negligence (or negligence in the case of personal injury) by CCUSA, arising from the use of any vehicle or from any act or omission by any agent or employee or guests of the participating camp, individual, firm, or company in relation to transportation to, from and within the U.S. or another facility or service organized on your behalf.

INSURANCE

1. Insurance coverage is included in your CCUSA fees for the period you are working at camp (actual camp contract dates as shown on your DS2019 form), you will have to extend your insurance with CCUSA to cover the entire period you will be in the USA.
2. Your policy can be upgraded from economy to premium prior to departure for the US for AU\$1.70/day. This has to be done before your insurance dates are locked, typically, but not guaranteed 15 days prior to the start date of your insurance. You will not be able to change your level of insurance after that date. You can do this in your CCUSA Footprints account.
3. You can purchase an extension of your insurance prior to your departure to the US at a cost of AU\$7.05/day (for economy plan) and AU\$8.75/day (for premium plan). This must be done before your insurance dates are locked, typically, but not guaranteed 15 days prior to your insurance start date. After your insurance is locked any extensions must be done once you are in the USA and have validated your visa.
4. Once your policy has commenced, any extension must be made prior to expiration (all extensions contingent upon insurance company's approval). Specific terms of coverage are available on your online CCUSA account.
5. U.S. Government J-1 visa regulations require insurance coverage for the full duration of your time in the USA from the date you enter the US to the ending date on your DS2019 form. If the included visa period of coverage does not cover the full length of your stay in the USA, you must extend the policy to cover the full travel period at your own cost prior to departure to the US.
6. In any unforeseen circumstances you are not allowed to let your insurance lapse.
7. It is your responsibility to read and understand the insurance policy details (including the Financial Services Guide & Product Disclosure Statement) including what coverage does and doesn't cover (eg. it does not cover pre-existing medical conditions and auto insurance). If you require specific insurance coverage that is not available on this policy you will need to locate and purchase this on your own in addition to the CCUSA mandatory insurance policy. Full details of the insurance policy (which includes the Financial Services Guide & Product Disclosure Statement) can be found on the website or by contacting CCUSA. It will also be available on your Footprints account once you have paid your fees to the program.
8. The insurance plans do not cover baggage, pre-existing medical conditions, dental, or auto insurance.
9. In case of an accident or incident, it is your responsibility to submit a claim form with all original documentation and/or follow the procedures set out by the insurance company. CCUSA is not the insurance company. All claims, processing, and queries are between you and the insurance company. You will receive a copy of the policy once you have been accepted to the program. Be sure to read all policy details via your online CCUSA account.

CRIMINAL BACKGROUND CHECK

1. To participate on the CCUSA program, you must apply for a current criminal/police background check after acceptance by the CCUSA head office. Please note that a background check cannot be older than 6 months at your start date at camp. Please apply for your Australian Federal Police background check (code 28) no sooner than 1st January 2022, using the instructions CCUSA provides you through the application center. After 1st January 2022, apply no later than 14 days after acceptance to the program, or you will incur an AU\$50 surcharge. You must use the CCUSA address for the return of your background check. If you receive it directly you must forward it to CCUSA immediately.
2. As part of the application, you are required to disclose to CCUSA any and all criminal history, criminal offense, arrests, charges, convictions, good behavior bond, reprimands or sentencing that is current, spent or expired (if you are unsure, contact CCUSA to discuss). Any criminal history reflected in this background check could affect acceptance/placement opportunities and/or result in loss of placement. Non-disclosure will result in cancellation of your application and you will forfeit all fees paid to CCUSA.
3. U.S. summer camps require that you bring the original of this report with you to camp. Failure to do so is grounds for immediate termination.
4. If you are not a citizen or permanent resident of the country from which you are applying, you must also gain a criminal/police background check from your home country as well with an English translation.

MEDICAL HISTORY

1. As part of the application you are required to disclose to CCUSA any and all past or current medical conditions (if you are unsure of what to include contact CCUSA to discuss). Non-disclosure will result in cancellation of your application and you will forfeit all fees paid to CCUSA.
2. If accepted, you must download the CCUSA Health History form, which must be completed and signed by your physician. This must be completed per the instructions and submitted to CCUSA at least 4 weeks prior to departure for the U.S. A surcharge of AU\$50 will be added to your application fees if you miss this deadline.
3. Your camp also requires you to bring the original signed and completed form to camp. Failure to complete this form in your home country may result in your termination or you will be required to pay for a medical examination in the U.S (this exam is expensive and is not covered by your travel insurance policy).
4. To participate on the CCUSA program you will need to have at least the following inoculations completed and up to date: Measles, Mumps, Rubella, Hepatitis, Polio, Whooping Cough and Tetanus.
5. Many US camps will prefer their staff to have an approved COVID-19 vaccination and your entry into the country may be reliant on proof of vaccination.
6. Your camp may require additional inoculations, which will be outlined in their health certificate and placement letter. If you do not have these inoculations completed before you go to camp your placement will be cancelled and you will forfeit all fees paid to CCUSA.

J-1 VISA

1. In order to participate on the CCUSA program you are required to obtain a J-1 Exchange Visitor visa before departing for the US.
2. The US Consulate charges a fee of US\$265 for all Australian passport holders and US\$160 for Non-Australian passport holders (subject to change) for visa processing. This fee is separate from the program fee you pay to CCUSA.
3. If you applied for a visa appointment in 2020 or 2021 and did not make that appointment, please see the Consulate website to see if you are eligible to use the MRV visa application fee.
4. The US Government also charges a US\$35 (subject to change) SEVIS fee, which is paid by your camp.
5. The J-1 visa permits you to enter the USA and legally work for your pre-determined camp contract dates, typically 9 – 11 weeks at a US summer camp, with an additional 30-day grace period for travel in the US only, after you have successfully completed your contract at camp.
6. The DS2019 visa document is the document you will need to apply for your J-1 Exchange Visitor visa at the US Consulate. As a Department of State designated visa sponsor, CCUSA will issue this document for you once you have paid your program fees in full and you have confirmed all your passport details through Footprints.
7. If you confirm your details incorrectly, or if the DS2019 is lost or damaged, the DS2019 form must be reprinted and you will be charged US\$75 for a new form, plus additional shipping charges (domestic shipping US\$35 or international shipping US\$75).
8. Within 14 days of receiving the "How to Apply for your Visa" instructions from CCUSA you must have booked an US Consulate Interview appointment, or you will incur an AU\$50 surcharge.
9. CCUSA may issue your DS2019 form prior to your placement if you choose to depart Australia prior to 1st April 2022 (you must contact CCUSA for visa processing details and pay the AU\$75 "Leaving Early" fee) and it is required to get your visa appointment booked.
10. If you have not received a camp placement by 1st April 2022, CCUSA reserves the right to request you apply for your J1 visa prior to your placement.
11. The US Consulate requires an in-person interview for all participants. You must apply for and obtain your J-1 visa before departing your home country. If you have any criminal records or convictions, you will be required to show your completed original background check at the time of the Consulate Interview.
12. The US Consulate may charge a fee for booking your Consulate interview which will be passed onto you.
13. Please check when you receive your passport and visa back if the document is correct. Mistakes have been made and can delay your trip.
14. You must enter the U.S. by the start date on your DS2019 form and validate your program with CCUSA (through your online CCUSA account) within 3 days of arrival. If you know you are not going to be able to travel to the US by your DS2019 start date, CCUSA requires that you have your DS2019 start changed (subject change fees US\$25-US\$75, not including shipping US\$35-US\$75). It is YOUR responsibility to notify your local office and request a change to your program start date. Failure to validate your program within the required 3 days will result in a SEVIS status of "terminated" which means your participation in the program has been cancelled.
15. You are required to check in with CCUSA every 30 days during your stay in the US. Failure to do so can jeopardize your program and visa status.
16. CCUSA reserves the right to change program rules, conditions, and fees if any State Department regulations for the J-1 visa change after the printing of this program agreement.
17. This section does not apply to US passport holders.

CANCELLATION AND REFUND POLICY

1. Your service from CCUSA begins immediately after your deposit payment is paid. Your online profile is available to be completed and your CCUSA office members are available to interview you face-to-face. Both 14-day cooling off period and/or chargeback are not valid for CCUSA programs.
2. The application fee is only refundable if CCUSA does not accept you to the program.
3. If your application was rolled over from the 2020 or 2021 season there is no refund if you cancel from the program.
4. If you cancel after you have been interviewed prior to your acceptance to the program, the application fee and any late fees are non-refundable. The full acceptance fee, and final installment fee, if already paid, will be refunded. Written cancellation notification must be received within 10 days of cancelling to qualify for a refund.
5. The application, acceptance and final installment fees will not be refunded if you cancel from the CCUSA program after acceptance (unless canceling for reasons outlined in Point 8). If you have not paid your fees in full, you will be invoiced for the amount due to CCUSA which are due within 14 days of cancelling.
6. If you change any information on your application after acceptance to the program that CCUSA determines will adversely affect your placement possibilities, CCUSA reserves the right to withdraw your application from the program; in this case there is no refund of any fees. This includes information you post in your application documents as well as any information that you post on the internet or social media.
7. If you post anything inappropriate on the internet or social media or break any of the camp, state or federal rules during your camp program (including time off), CCUSA reserves the right to cancel you from the program without any refunds (please see Early Departures for more details).
8. Applicants who continually fail to respond to CCUSA are indicating to us that they are no longer interested in the program and will have their application cancelled after one warning and they will forfeit all fees paid to CCUSA.
9. If you cancel due to a life-threatening illness or a life-threatening illness or death of a parent or sibling (medical certificate required for review by CCUSA), you will receive a refund of your acceptance and final installment fees. A written cancellation notification and the medical certificate documenting the illness must be received within 10 days of cancelling to qualify for a refund. No refunds will be made for cancellations as a result of pre-existing conditions.
10. Fees incurred for obtaining your criminal background check, medical examination and visa processing and any other third-party services are non-refundable in most cases and CCUSA is not responsible for any refunds of these fees.
11. The US\$35 SEVIS fee, if paid by CCUSA at the time of your cancellation, will be deducted from any refund owed to you. If you are not owed a refund and the SEVIS fee has been paid by CCUSA on your behalf, you will owe CCUSA US\$35 for the SEVIS fee.
12. If you are not placed by 30th June 2022 you will be cancelled from the program. Upon the return of your DS2019 form to CCUSA you will receive a full refund of the fees paid to CCUSA (less a US\$100 Administrative Fee). In this event, refunding the program fees is the limit of CCUSA's responsibility, as damages for non-participation are impossible to calculate.
13. If you have been placed and your camp rescinds your job offer, CCUSA will offer you other opportunities and replace you at another camp (this applies for Returnees as well). Not accepting a replacement offered to you will mean we have to cancel you from the program without a refund.
14. In the event the U.S Government rejects, suspends or amends your visa application in your home country, the fees paid to CCUSA are non-refundable. CCUSA strongly advises you to apply for your J-1 visa only in your country of citizenship. Visa applications made in a country where the applicant is not a citizen or permanent legal resident may face higher risk of visa denial. The U.S. Government requires additional documentation if you apply for your visa outside your home country. CCUSA cannot be held liable for visa rejections.
15. If you have not applied for your visa at least 30 days prior to your date of availability or if the U.S. Government does not issue your visa in time to arrive at camp by your start date as listed on your online CCUSA account, your participation in the program will be cancelled and no refund will be given.
16. In case of cancellation of your application by CCUSA due to unforeseen circumstances (natural disasters, pandemics, epidemics, emergencies, Presidential Proclamations or Executive Orders), fees paid to CCUSA will not be refunded. However, 40% of the total fee due (if paid and not including SEVIS, travel, visa fees) to CCUSA can be used as a credit for any CCUSA program when used within 12 months of cancellation.
17. Your DS2019 visa application form must be returned to CCUSA before any refunds can be issued.
18. If you have previously applied to a CCUSA program and have any unpaid fees owing to CCUSA including SEVIS fee for a cancelled DS2019 form, these must be paid upon applying to the program.

PRE-DEPARTURE ORIENTATION

CCUSA provides a mandatory Pre-Departure Orientation meeting in your country to give detailed information about the J-1 visa, program rules and life in the United States. U.S. government regulations require that you attend this orientation. Failure to do so will result in the cancellation of your program without refund. The Pre-Departure Orientation is also mandatory for Returnees.

TRAVEL TO CAMP

1. You must arrange and pay for your own return flight transportation (including your international flight) to your camp's designated arrival meeting point in the U.S.
2. Your full, international and US domestic travel itinerary to camp must be entered into your online CCUSA account or otherwise provided to CCUSA as soon as you have booked your flights. If you are placed prior to May 1, you must supply CCUSA with full international/domestic flight details no later than 4 weeks prior to your departure. If you are placed May 1 or later, you must supply CCUSA with full international/domestic flight details no later than 72 hours after placement or 24 hours in advance of your departure to the U.S., whichever is the earlier date. You will incur a surcharge of AU\$50 if you fail to upload this information on time.
3. If you are not traveling directly to camp, you must provide a full itinerary including contact telephone numbers and addresses for each day overseas until you arrive at camp. Failure to complete these travel requirements in the time frame indicated may result in your cancellation from the program, and no refunds will be issued.
4. It is your responsibility to be aware of any travel requirements including applying for travel exemptions and quarantine.

POST CAMP TRAVEL

You are responsible for travel costs after camp including transportation, meals and accommodation. This includes travel costs to your U.S. departure airport for your return flight home or onward international travel.

DURING THE SUMMER

1. The standard resident camp season is nine weeks (eleven weeks for day camps), and you must arrive at camp on the date listed on your Footprints account. Your pocket money will begin accruing on the first day of general staff training. Some camps exceed 9 or 11 weeks. In these cases, you will be required to work at camp until the assigned end date (camp contract takes precedence over the 9 to 11 weeks specified by CCUSA in this Program Agreement). In such cases where you work longer than 63 days (9 weeks) at a resident camp or 77 days (11 weeks) at a day camp, you will be paid an additional amount per extra working day.
2. Failure to complete your contract will result in additional costs (travel, food, lodging, etc).
3. Your age as of 1st June 2022 and CCUSA set course qualifications determine the amount of "Pocket Money" you will receive for the initial 9 weeks of residential camp or 11 weeks for day camp work. You will be paid by the camp director according to camp policy, prior to the last day of camp.
4. Under Federal law, camps are required to withhold federal and state tax from your Pocket Money. You will be required to file a tax return for 2022 as a CCUSA participant. CCUSA offers an inexpensive tax service for your convenience to assist with filing your tax return.
5. The camp pays a fee to CCUSA to cover administration costs associated with your recruitment, selection, placement, insurance, SEVIS fee and supervision. This does not comprise part of your Pocket Money; however, it does form part of the total expenses paid by the camp.
6. Prior to arrival, any policies your camp has that supersede what is written in this agreement should be communicated to you in writing by your camp. Please note that camp policies cannot supersede US Department of State regulations for the J-1 visa program.
7. The J1 Exchange Visitor program you are traveling on to the US is a Cultural Exchange program with a work component in it and has a required cultural component. Participants must participate in at least one cultural activity each week in order to expand their knowledge of American culture and life. CCUSA will provide you with resources for cultural activities in the area where you will be at camp. These resources are accessible through your Footprints account. You will be required to report on these cultural activities each month during your 30-day check in. Failure to participate in this required cultural component can jeopardize your program.
8. You are required to check in with CCUSA every 30 days during your stay in the US. Failure to do so can jeopardize your program.

9. You will earn a set amount of Pocket Money based on your age, your skills/qualifications as determined by your camp and the CCUSA US office, and the type of camp at which you are employed.

For working the 9-week resident camp or 11-week day camp you will earn:

First Time Participant:

Counselor under age 21:	US\$1,625
Counselor age 21 and over:	US\$1,850

Advanced Skill First Time Participant*:

Counselor under age 21:	US\$1,775
Counselor age 21 and over:	US\$2,000

Elite Skill First Time Participant*:

Counselor age 19/20:	US\$2,250
Counselor age 21 and over:	US\$2,695

Returnees:

See Acceptance and Placement, Point 1 (above)

*For Advanced and Elite Skill participants please visit www.ccusa.com ("What You Get") to see if you are eligible. This will require additional documentation to be submitted to CCUSA.

Additional Pocket Money for which you may be eligible:

US\$45 per day: For each additional day you work as a Camp Counselor beyond the standard 9 or 11 week session (not including days off).

10. Your camp will provide a bed, three meals a day and access to laundry facilities (facilities not always on camp property).
11. Your personal expenses before, during and after camp are your own responsibility.

EARLY DEPARTURES

1. If you fail to fulfill the responsibilities of your position at camp or violate any camp rule, State or Federal law, or leave voluntarily, your participation will be cancelled and in certain cases you must depart the USA immediately. This includes anything that might happen during your time off. You will incur additional costs for travel, food, lodging and a contract cancellation fee of US\$500 will be charged.
2. Fees paid to CCUSA will not be refunded.

RETURNEES

In addition to all other points included in this agreement, the following policies pertain specifically to Returnees.

1. A "Returnee" is classified as a person who is returning to the same camp, OR to a new camp under the direction of a camp director the applicant has previously worked under. Returnees applying for their third or more summer as a counselor must be aware of the 10% returnee rule. This rule limits the amount of participants a Designated Visa Sponsor may have on the program according to the US State Department visa regulations. Additional documentation may be required.
2. You must submit a complete online application, current criminal/police background check (dated after 1st January 2022), this signed program agreement and a photo to your local CCUSA office along with a return invitation, contract or email from your camp director (must include a statement verifying you have been invited to return to camp and your proposed work dates) before CCUSA can process your application.
3. Returnee program fees are non-refundable, no matter what the reason is that you cancel or your camp rescinds your job.
4. Upon submission of all necessary forms and payments, CCUSA will provide you with a current DS2019 visa application form, worldwide travel insurance coverage for your work period (you will have to extend your insurance with CCUSA for the whole period that you are in the USA if different from the work dates) and 24-hour support while in the USA.
5. You are required to submit your travel to camp plans to your online CCUSA account at least 4 weeks prior to your departure in order for us to activate your insurance policy. Information required includes airline, flight number, date and time of arrival as well as your method of arrival to camp if arranging this yourself. In addition, you MUST notify your camp of your travel plans. CCUSA is not responsible for coordinating an airport pickup with your camp. Failure to complete these travel requirements in the time frame indicated may result in your cancellation from the program, and no refunds will be issued.
6. If you are applying for your visa in another country and need your DS2019 form sent there, you will be charged US\$50 to cover administration and shipping costs. You must supply a verified, deliverable FedEx street address (not a POBox) and an in-country contact phone number. Additional costs will be at your expense if the above is not adhered to.
7. Returnee applications can close at any time.
8. Participants who have used CCUSA as their previous visa sponsor will be given priority in case the returnee cap is close to be reached.
