<b>Counselors Arrival / Departure:</b>	Mid June to Mid August
<b>Description:</b>	Cedar combines a top notch athletic program with the nature and tripping opportunities. We strive to find a balance between fun and practice, what's a game and what's competition, the meaning of being a bunk mate, a teammate, a member of a camp family, and ultimately, of being a part of something much bigger than oneself. We believe that the Cedar experience helps our boys develop character, lifelong relationships and create a foundation for each camper's own life journey. With a history of community service and a value system that stresses the importance of giving back, Camp Cedar is more than just a premier sports camp for boys - it's a sports camp with soul.
