<b>Counselors Arrival / Departure:</b>	22 April to 30 August & 20 June to 30 August														
<b>Description:</b>	<p>Camp Chief Hector is located in the foothills of the Rocky Mountains. As part of the YMCA we do our best to live out the core values of Caring, Respect, Responsibility and Honesty. Our mission is pretty simple, to have kids feel a sense of belonging in the outdoors. We offer bussing in time off so that international staff can enjoy their Canadian experience. Our camp is large with 170 staff and over 500 campers, but we split into sections to keep that small camp feel. If you want to live in a Tipi in the Rocky mountains then come chat with us at the hiring fair. See you there!</p> <p>All of our staff will be expected to go on a trip, generally this is a hiking trip. Some trips are 500 metres from site, some are an 18 day hike into Banff National Park. Staff who come for spring will have the opportunity to get certifications which allow them to work with the longer trips.</p>
