

# GET A GUARANTEED PLACEMENT AT CAMP

## If You Are a Good Swimmer Get Water Qualified for Camp

Nearly every camp in the USA has a pool and/or lake and require as many staff as possible to be lifeguard certified.

Use the time between now and May to get lifeguard qualifications. This will guarantee your placement\*, earn you another US\$150 at camp and give you a qualification that can be used in both Australia and the USA.

Remember you do not need to have completed the course for CCUSA to approve you as an Advanced Skill Lifeguard. Just provide proof of your enrolment and complete the course before you head to camp in May/June.

So consider completing your National Pool Lifeguard qualification through the Royal Life Saving Association (see below) or your Surf Bronze through your local Surf Lifesaving Club (contact your local surf club directly) and let CCUSA know ASAP so we can work with you to add this to your application.

Please note: The Pool Lifeguard is superior to a Pool Bronze (Pool Bronze is not recognised as an American lifeguard award although it will help you improve your water fitness).
